In order to obviate the necessity for the constant references which are now made to Government regarding the disposal of Prisoners sentenced to transportation beyond Seas, the Honorable the Lieutenant Governor, North Western Provin-

ces, is pleased to direct the following arrangements:

I. The following Jails are to be considered as receiving Jails in the first instance for all Prisoners sentenced to transportation in the Districts specified:

Furruckabad—for the Districts in Rohilkund.

Cawnpore—for the Districts in the Agra Division (except Furruckabad)

Benares—for Juanpore.

Ghazeepore—for Azimghur and Goruckpore.

II. The Magistrates of the several Districts will forward their Convicts to the Receiving Jails at such times and in such numbers as may be most economical and convenient, accompanied with the usual warrant and descriptive roll. The Magistrates in the several Delhi Districts, will forward them in the first place to the Magistrate of Delhi, who will receive charge of them, and send them on with the Convicts from his own Jail. In the same way the Magistrate of Meerut will receive charge of the Prisoners from the Dhoon, Mozaffernuggur and Seharunpore; the Magistrate of Bareilly of those from Bijnore and Moradabad; the Magistrate of Agra of those from Muttra; and the Magistrate of Futtehpore of those from Banda and Humeerpore.

III. On the 1st January in each year and on the first day of each following quarter, the Prisoners who have been collected at Allyghur and Furruckabad respectively, will be forwarded to Cawnpore, from whence they will proceed, together with the Cawnpore Prisoners, in one body to Allahabad.

IV. From Allahabad and the other River Stations, the Convicts will be despatched to Calcutta per Steamer, as opportunity may offer; the Magistrates communicating direct for this purpose with the Agent for Government Steamers at Allahabad.

V. Previous to each despatch, the Magistrate of each River Station will furnish the Superintendent of the Allipore Jail direct with a Statement shewing the number of prisoners to be expected, in order that due provision may be made for their reception. This Statement will be drawn out in the usual form, with an additional column to shew the District from which the Prisoner was originally sent, and will be headed "Statement of Convicts sentenced to transportation for life, despatched on the — of — 184— to Calcutta from the Jail at —." — A Copy of each Statement will be forwarded for record in this office.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas, ... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton." "

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Dunstons and Hindostan.

In cases, where persons, whether Public Officers, or Private Individuals, are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application is to be made as above stated, accompanied

by a Medical Certificate, shewing the necessity for the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. The Pilots are on no account whatever to receive on board as Passengers, any Individuals who have not obtained the sanction above specified.

2nd. Individuals proceeding on board Pilot Vessels under any of the circumstances stated above, are entitled to occupy the larboard half of the after accommodation, free of other charge than that of Mess or Table Money hereafter specified. It must be understood that in all cases when in conformity with these orders the larboard cabin has been assigned to any Lady or Gentleman, no one can claim a share of such accommodation while the party by whom it was first engaged remains on board. Other parties either in or out of the Service, permitted to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of his, the starboard cabin. It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. Pilots in charge of vessels are to provide a suitable Table for their Passengers and are on no account to demand a larger amount for Table Money than the sums specified in the margin, and any Pilot making directly or indirectly any demand either for Table Money or Accommodation, not strictly authorized by these Regulations, besides being compelled to refund any overcharge, will be subjected to such loss of Rank or other punishment as Government, at the recommendation of the Superintendent of Marine, may award.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Mates and Volunteers at a charge of Two Rupees a day for the first fourteen days, and One Rupee Eight Annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

By order of the Acting Supdt. of Marine,
 JAS. SUTHERLAND.

EDUCATION.

PUBLIC EXAMINATIONS OF 1845.

1. The examination for senior scholarships, and candidates for government employment, will be held in the Town Hall, upon the dates and at the hours specified below.

2. The proprietors and masters of the various Institutions intending to profit by the resolution of the 10th October 1844, are invited to attend the examination in order to become acquainted with the nature of the ordeal; but it is to be distinctly understood, that no visitor is to interfere in any way with the examination or hold any communication whatever with the candidates. Those masters who may wish to be present are requested to apply to the Secretary to the Council of Education for a ticket of admission, without which no one will be allowed access to the Hall.

3. All Proprietors or Head-Masters of schools, are requested to send in to the Secretary to the Council of Education, a list of the candidates intending to be present from their Institutions, at least one week before the 23rd of September, accompanied with the certificates and testimonials required by the regulations already published.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to:—

POETRY.—Milton's *Paradise Lost*; Shakespeare's *Hamlet*, *Lear*, *Othello* and *Macbeth*; and Gray's

Poems as far as they are contained in Richardson's *Selections*.

PROSE.—The first four volumes of the *Spectator*, and Bacon's *Essays*.

HISTORY.—The *History of England* from the reign of Henry the 7th to the Revolution of 1688. The 3rd Book of Mill's *History of India*, and Macfarlane's *Indian Empire*.

6. The following are the days fixed for the examinations, which will commence daily at 10 A. M. precisely, and all answers must be given in at or before 5 P. M. Candidates are recommended to be in attendance a quarter of an hour earlier, in order that no time may be lost in taking their places, &c.

7. In consequence of the great additional importance acquired by the Senior Scholarship Examination, and of the competition being no longer limited to the Students in the Government Colleges, it has become necessary to afford the best possible guarantee to the public and the Government of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen:

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,
“*Via Southampton.*”

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office,
The 8th February, 1844.

It is hereby notified that, unless marked for particular Ships, all Letters received at the General Post Office between Monday the 15th September and Sunday the 21st September, both dates inclusive, were despatched by the undermentioned Vessels, which sailed from Calcutta on dates specified:

ACCOMMODATION ON BOARD THE PILOT VESSELS.

THE following Revised Rules relative to the Accommodation of Individuals proceeding to the Sand Heads or down the River on board any of the Hon'ble Company's Pilot Vessels, having been sanctioned by Government, are now published for general information.

1st. Officers, Civil and Military, when ordered to proceed down the River on Public Service, on board a Pilot Vessel, are to notify the same to the Master Attendant, or in his absence to his Assistant, who will select the vessel with reference to the exigencies of the Service, on which such Officer shall embark. In cases, where persons, whether Public Officers, or Private Individuals, are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application is to be made as above stated, accompanied

by a Medical Certificate, shewing the necessity for the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. The Pilots are on no account whatever to receive on board as Passengers, any Individuals who have not obtained the sanction above specified.

2nd. Individuals proceeding on board Pilot Vessels under any of the circumstances stated above, are entitled to occupy the larboard half of the after accommodation, free of other charge than that of Mess or Table Money hereafter specified. It must be understood that in all cases when in conformity with these orders the larboard cabin has been assigned to any Lady or Gentleman, no one can claim a share of such accommodation while the party by whom it was first engaged remains on board. Other parties either in or out of the Service, permitted to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of his, the starboard cabin. It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. Pilots in charge of vessels are to provide a

A Gentleman 8 Rupees per diem for the first fortnight—6 Rupees for every day afterwards

A Lady 6 Rupees per diem for the first fortnight—5 Rupees for every day afterwards

A Child 4 Rupees per diem for the first fortnight—3 Rupees for every day after.

A suitable Table for their Passengers and are on no account to demand a larger amount for Table Money than the sums specified in the margin, and any Pilot making directly or indirectly any demand either for Table Money or Accommodation, not strictly authorized by these Regulations, besides being compelled to refund any overcharge, will be subjected to such loss of Rank or other punishment as Government, at the recommendation of the Superintendent of Marine, may award.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Mates and Volunteers at a charge of Two Rupees a day for the first fourteen days, and One Rupee Eight Annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

EDUCATION NOTICE.

RULES for the examination of Candidates for insertion in the list directed to be annually furnished to Government, by the Notification of the Governor General, dated 10th October, 1844.

1. No one shall be allowed to become a Candidate for insertion in the Annual Returns, who is less than 18 or more than 23 years of age; and who is not at the time a student either of a Government or of a private Institution recognized by the Council of Education. All competitors must likewise produce satisfactory proofs of good moral character.

2. Every Candidate, whether he belong to a Government College or a private Institution, shall be required to undergo the usual Annual Examination, for Senior English Scholarships, a Latin being substituted for a Vernacular Essay, at the option of each Candidate.

3. There shall be two class of merit: the first shall comprehend all who are in the last year of a Senior Scholarship, or who, though not actually in the last year, would be so, if there had been a vacant scholarship at the time when they first became eligible for one; or have been engaged for ten years in the study of English at a private institution, and who obtain at least $\frac{2}{5}$ ths of the number of marks allowed in each subject. The second class shall include all other candidates, who obtain at least $\frac{1}{2}$ of the number of marks allowed for complete answers in every subject contained in the Senior English Scholarship standard.

4. The place of each successful competitor in his class, shall be determined by the relative merit of his Examination.

5. Every Candidate for insertion in the Council's list, shall pay a registration fee of Co.'s Rs. 5, prior to being allowed to compete at the examination.

6. The Examinations shall be held Annually at the Town Hall, a few days before the Doorga Poojah Holidays, of which due notice shall be given.

7. A Student who shall fail to prove himself qualified for insertion in the Council's list, shall not be permitted to pre-ent himself for examination more than three times, pre-paying on each occasion the usual registration fee

8. A Candidate whose name shall once have appeared in the return, shall not be allowed to compete again with a view to obtain a higher grade.

9. All Candidates, whether from Government or private Institutions, must distinctly understand, that mere insertion in the returns will by no means be a sure passport to employment, since the preference must depend upon other qualifications, as well as upon literary and scientific acquirements, and good moral conduct.

10. The following is the system of examination adopted and the standard of the Senior English Scholarships referred to, in Rule 2.

Sets of questions on the various branches of study will be prepared under the direction of the Council of Education, who will likewise fix within a reasonable time beforehand, the days on which the examinations shall be held.

The Students shall be assembled in a room without books, papers or references of any kind. They shall not be allowed to communicate with each other during the examination, and on that account shall be placed at a proper distance from each other.

They will be required to answer the questions and to write the Essays without any assistance whatever, and to ensure this, one of the Members of the Council of Education will remain in the room and superintend the whole examination.

Any attempt at, or practice of, unfair means, shall subject the offender to exclusion from the examination, as well as from the returns of the Council, and thereby render him ineligible for Government employment.

The Council of Education will fix a uniform standard of value for each question according to its importance, a perfectly correct and complete answer will obtain the full number of marks attached to the question, an imperfect answer will obtain a part only of the full number, in proportion to its approximation to correctness and completeness. At least 50 per cent. of the aggregate number of marks attached to an entire set of examination questions, will be necessary to entitle a student to a Senior Scholarship.

The following are the qualifications for the Senior English Scholarships.

English Essay.

The candidate must compose a fair English Essay.

History.

He must know the leading facts of Universal History, with special reference to the Histories of Greece, Rome,

India, England, and Modern Europe. The course of History which will form the subject of each Annual Examination, will be made known by the Council of Education on or before the 15th of June of the previous year.

General Literature.

He must be able to explain passages of Prose and Verse, selected from standard authors. Hereafter the works from which the passages will be selected for the ensuing year, will be fixed by the Council of Education, at least one year before each annual scholarship examination.

Mathematics.

He must have a knowledge of Algebra as treated of in Peacock's work on the subject, and in the Chapter on Chances in Wood's Algebra. Of Euclid he must know the first four books, the fifth definition of the 5th book, the 6th book, and 21st proposition of the 11th book: Plane and Spherical Trigonometry (Hind's, Snowball's or Woodhouse's) and Conic Sections.

Natural Philosophy.

He must have a knowledge of Astronomy, Mechanics, Hydrostatics—treated of in the works noted in the margin* sufficient to enable him to comprehend Herschell's Introductory Discourse on the Study of Natural Philosophy, and Mrs. Somerville's Connection of the Physical Sciences. He must also be acquainted with Mathematical and Physical Geography, as treated of in the Publications of the Society for the Diffusion of Useful Knowledge.

He must write a fair essay in the Vernacular.

Vernacular Essay.

The holders of Senior Scholarships will be examined further in a paper of special test questions, which will be prepared under the direction of the Council of Education for that purpose, and which may include subjects not specified above.

CAP. XXX.

An Act to amend an Act passed in the Third and Fourth Years of the Reign of His late Majesty King William the Fourth, intituled an Act for the better Administration of Justice in His Majesty's Privy Council.

(30th June, 1845.)

Whereas by an Act passed in the Session held in the Third and Fourth Years of the Reign of His late Majesty King William the Fourth, intituled an Act for the better Administration of Justice in His Majesty's Privy Council, after reciting that various Appeals to His Majesty in Council from the Courts of Suddur Dewanny Adawlut at the several Presidencies of Calcutta, Madras and Bombay, in the East Indies, had been admitted by the said Courts, and the Transcripts of the Proceedings in Appeal had been from Time to Time transmitted under the Seal of the said Courts through the East India Company, then called the United Company of Merchants of England trading to the East Indies, to the Office of His Majesty's said Privy Council, but that the Suitors in the causes so appealed had not taken the necessary measures to bring on the same to a Hearing, it was enacted that it should be lawful for His Majesty in Council to give such Directions to the said Company and other Persons, for the purpose of bringing to a Hearing before the Judicial Committee of the Privy Council the several cases appealed, or thereafter to be appealed to His Majesty in Council from the several Courts of Suddur Dewanny Adawlut in the East Indies, and for appointing Agents and Counsel for the different Parties in such Appeals, and to make such Orders for the Security and Payment of the Costs thereof as His said Majesty in Council should think fit, and thereupon such Appeals should be heard and reported on to His Majesty in Council, and should be by His Majesty in Council determined, in the the same manner, and the Judgments, Orders and Decrees of His Majesty in Council thereon should be of the same Force and Effect, as if the same had been brought to a Hearing by the Direction of the Parties appealing, in the usual course of Proceeding: Provided always, that such last-mentioned Powers should not extend to any Appeals from the said Courts of Suddur Dewanny Adawlut other than Appeals in which no Proceedings then had been or should thereafter be taken in England on either side for a Period of Two Years subsequent to the Admission of the Appeal by such Court of Suddur Dewanny Adawlut. And whereas by certain Orders in Council made under certain Powers contained in the said Act, Provision is made for registering in the Council Office the Arrival in this Country of the Transcripts of the Proceedings in Appeals from the said Courts: And whereas it is considered advisable that the said Act should be amended in manner hereinafter mentioned:

Recited Provisions of 3 and 4 W. 4, c. 41 not to apply to Appeals admitted by Suddur Courts after 1st January 1846.

Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal and Commons, in this present Parliament assembled, and by the authority of the same, That the herein-before recited

Provisions of the said Act shall not apply to the case of any Appeal which shall be admitted by any of the said Courts of Suddur Dewanny Adawlut after the First Day of January, One Thousand, Eight Hundred and Forty-six.

II. And be it enacted, That any Appeal to be admitted by any of the said Courts of Suddur

Appeals admitted after 1st January 1846 to be considered as abandoned by consent, unless, &c.	Dewanny Adawlut after the said First Day of January, One Thousand, Eight Hundred, and Forty-six, shall be considered and be held to be
---	--

abandoned and withdrawn by consent of the Parties thereto, unless some Proceedings shall be taken in England in the same by one or more of the Parties thereto within Two Years after Registration at the Council Office of the Arrival of the Transcript; and any such Appeal as aforesaid shall be held to be abandoned and withdrawn in like manner under any other circumstances which Her Majesty in Council may from Time to Time by any Orders or Rules in that Behalf direct to be taken and considered as a Withdrawal thereof; and the East India Company are hereby required from Time to Time to ascertain and certify to the proper Courts in the East Indies all Appeals which may from Time to Time become abandoned and dropped under the Provisions of this Clause.

ACCOMMODATION ON BOARD THE PILOT VESSELS.

THE following Revised Rules relative to the Accommodation of Individuals proceeding to the Sand Heads or down the River on board any of the Hon'ble Company's Pilot Vessels, having been sanctioned by Government, are now published for general information.

1st. Officers, Civil and Military, when ordered to proceed down the River on Public Service, on board a Pilot Vessel, are to notify the same to the Master Attendant, or in his absence to his Assistant, who will select the vessel with reference to the exigencies of the Service, on which each Officer shall embark. In cases, where persons, whether Public Officers, or Private Individuals, are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application must be made as above stated, accompanied by a Medical Certificate, showing the necessity for

the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. The Pilots are on no account whatever to receive on board as Passengers, any Individuals who have not obtained the sanction above specified.

2nd. Individuals proceeding on board Pilot Vessels under any of the circumstances stated above, are entitled to occupy the larboard half of the after accommodation, free of other charge than that of Mess or Table Money hereafter specified. It must be understood that in all cases when in conformity with these orders the larboard cabin has been assigned to any Lady or Gentleman, no one can claim a share of such accommodation while the party by whom it was first engaged remains on board. Other parties either in or out of the Service, permitted to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of his, the starboard cabin. It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. Pilots in charge of vessels are to provide a

A Gentleman 8 Rupees per diem for the first fortnight—6 Rupees for every day afterwards

A Lady 6 Rupees per diem for the first fortnight—5 Rupees for every day afterwards

A Child 4 Rupees per diem for the first fortnight—3 Rupees for every day after

suitable Table for their Passengers and are on no account to demand a larger amount for Table Money than the sums specified in the margin, and any Pilot making directly or indirectly any demand either for Table Money or Accommodation, not strictly authorized by these Regulations, besides being compelled to refund any overcharge, will be subjected to such loss of Rank or other punishment as Government, at the recommendation of the Superintendent of Marine, may award.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Mates and Volunteers at a charge of Two Rupees a day for the first fourteen days, and One Rupee Eight Annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

By order of the Acting Supdt. of Marine,

JAS. SUTHERLAND,

Secretary.

EDUCATION.

PUBLIC EXAMINATIONS OF 1845.

1. The examination for senior scholarships, and candidates for government employment, will be held in the Town Hall, upon the dates and at the hours specified below.

2. The proprietors and masters of the various Institutions intending to profit by the resolution of the 10th October 1844, are invited to attend the examination in order to become acquainted with the nature of the ordeal; but it is to be distinctly understood, that no visitor is to interfere in any way with the examination or hold any communication whatever with the candidates. Those masters who may wish to be present are requested to apply to the Secretary to the Council of Education for a ticket of admission, without which no one will be allowed access to the Hall.

3. All Proprietors or Head-Masters of schools, are requested to send in to the Secretary to the Council of Education, a list of the candidates intending to be present from their Institutions, at least one week before the 23rd of September, accompanied with the certificates and testimonials required by the regulations already published.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to:—

POETRY.—Milton's *Paradise Lost*; Shakspeare's *Hamlet*, *Lear*, *Othello* and *Macbeth*; and Gray's

Poems as far as they are contained in Richardson's *Selections*.

Candidates are recommended to be in attendance a quarter of an hour earlier, in order that no time may be lost in taking their places, &c.

7. In consequence of the great additional importance acquired by the Senior Scholarship Examination, and of the competition being no longer limited to the Students in the Government Colleges, it has become necessary to afford the best possible guarantee to the public and the Government of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen:

1st. Officers, Civil and Military, when ordered to proceed down the River on Public Service, on board a Pilot Vessel, are to notify the same to the Master Attendant, or in his absence to his Assistant, who will select the vessel with reference to the exigencies of the Service, on which such Officer shall embark. In cases, where persons, whether Public Officers, or Private Individuals are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application is to be made as above stated, accompanied by a Medical Certificate, shewing the necessity for the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. The Pilots are on no account whatever to receive on board as Passengers, any Individuals who have not obtained the sanction above specified.

It must be understood that in all cases when in conformity with these orders the larboard cabin has been assigned to any Lady or Gentleman, no one can claim a share of such accommodation while the party by whom it was first engaged remains on board. Other parties either in or out of the Service, permitted to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of

It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

EDUCATION NOTICE.

RULES for the examination of Candidates for insertion in the list directed to be annually furnished to Government, by the Notification of the Governor General, dated 10th October, 1844.

1. No one shall be allowed to become a Candidate for insertion in the Annual Returns, who is less than 18 or more than 23 years of age; and who is not at the time a student either of a Government or of a private Institution recognized by the Council of Education. All competitors must likewise produce satisfactory proofs of good moral character.

2. Every Candidate, whether he belong to a Government College or a private Institution, shall be required to undergo the usual Annual Examination, for Senior English Scholarships, a Latin being substituted for a Vernacular Essay, at the option of each Candidate.

3. There shall be two class of merit: the first shall comprehend all who are in the last year of a Senior Scholarship, or who, though not actually in the last year, would be so, if there had been a vacant scholarship at the time when they first became eligible for one; or have been engaged for ten years in the study of English at a private institution, and who obtain at least $\frac{1}{4}$ ths of the number of marks allowed in each subject. The second class shall include all other candidates, who obtain at least $\frac{1}{2}$ of the number of marks allowed for complete answers in every subject contained in the Senior English Scholarship standard.*

4. The place of each successful competitor in his class, shall be determined by the relative merit of his Examination.

5. Every Candidate for insertion in the Council's list, shall pay a registration fee of Rs. 5, prior to being allowed to compete at the examination.

6. The Examinations shall be held Annually at the Town Hall, a few days before the Doorga Poojah Holidays, of which due notice shall be given.

7. A Student who shall fail to prove himself qualified for insertion in the Council's list shall not be permitted to present himself for examination.

tion more than three times, pre-paying on each occasion the usual registration fee.

8. A Candidate whose name shall once have appeared in the return, shall not be allowed to compete again with a view to obtain a higher grade.

9. All Candidates, whether from Government or private Institutions, must distinctly understand, that mere insertion in the returns will by no means be a sure passport to employment, since the preference must depend upon other qualifications, as well as upon literary and scientific acquirements, and good moral conduct.

10. The following is the system of examination adopted and the standard of the Senior English Scholarships referred to, in Rule 2.

Sets of questions on the various branches of study will be prepared under the direction of the Council of Education, who will likewise fix within a reasonable time beforehand, the days on which the examinations shall be held.

The Students shall be assembled in a room without books, papers or references of any kind. They shall not be allowed to communicate with each other during the examination, and on that account shall be placed at a proper distance from each other.

They will be required to answer the questions and to write the Essays without any assistance whatever, and to ensure this, one of the Members of the Council of Education will remain in the room and superintend the whole examination.

Any attempt at, or production of, unfair means, shall subject the offender to exclusion from the examination, as well as from the returns of the Council, and thereby render him ineligible for Government employment.

The Council of Education will fix an uniform standard of value for each question according to its importance, a perfectly correct and complete answer will obtain the full number of marks attached to the question, an imperfect answer will obtain a part only of the full number, in proportion to its approximation to correctness and completeness. At least 50 per cent. of the aggregate number of marks attached to an entire set of examination questions, will be necessary to entitle a student to a Senior Scholarship.

The following are the qualifications for the Senior English Scholarships.

English Essay. The candidate must compose a fair English Essay.

History. He must know the leading facts of Universal History, with special reference to the Histories of Greece, Rome, India, England, and Modern Europe. The course of History which will form the subject of each Annual Examination, will be made known by the Council of Education on or before the 15th of June of the previous year.

Classical Literature. He must be able to explain passages of Prose and Verse, selected from standard authors. Hereafter the works from which the passages will be selected for the ensuing year, will be fixed by the Council of Education, at least one year before each annual scholarship examination.

Mathematics.

He must have a knowledge of Algebra as treated of in Peacock's work on the subject, and in the Chapter on Chances in Wood's Algebra. Of Euclid he must know the first four books, the fifth definition of the 5th book, the 6th book, and 21st proposition of the 11th book. Plane and Spherical Trigonometry (Hind's, Snowball's or Woodhouse's) and Conic Sections.

Natural Philosophy. He must have a knowledge of Astronomy, Mechanics, Hydrostatics, Pneumatics and Optics as treated of in the works noted in the margin* sufficient to enable him to comprehend Herschell's Introductory Discourse on the Study of Natural Philosophy, and Mrs. Somerville's Connection of the Physical Sciences. He must also be acquainted with Mathematical and Physical Geography, as treated of in the Publications of the Society for the Diffusion of Useful Knowledge.

Vernacular Essay He must write a fair essay in the Vernacular.

The holders of Senior Scholarships will be examined further in a paper of special test questions, which will be prepared under the direction of the Council of Education for that purpose, and which may include subjects not specified above.

POST OFFICE NOTIFICATION.

P. and O. Steamers.

THE Bi-monthly Overland Communication having now been regularly established between this Country and Europe, and the arrangements for the conveyance of the Mails, direct, between Calcutta and Suez, finally completed and brought into operation; Notice, accordingly, is hereby given, that the rates of Postage charged on Letters and Papers carried by the Government Steamers from and to Bombay, will likewise be levied, in future, on Letters and Newspapers conveyed by the Peninsular and Oriental Company's Vessels, from and to Calcutta, both by way of Southampton, and via Marseilles.

1. The rules relative to the former, having also been made applicable, in every respect, to the latter, are subjoined for the information and guidance of the Public, in general. The scale of British Steam Postage, is, as follows, viz.

- On every letter not exceeding $\frac{1}{2}$ an ounce in weight,8 As. or one Shilling.
- On ditto above $\frac{1}{2}$ oz. and not exceeding one ounce,1 R. or two ditto.
- On ditto above 1 oz. and not exceeding two ounces,2 Rs. or four ditto.
- On ditto above 2 oz. and not exceeding three ounces, ...3 Rs. or six ditto.

and so on, increasing One Rupee, or Two Shillings, for every additional ounce weight, or any fraction thereof.

2. British weights not being generally available in this country, the following coins of the Hon'ble Company's currency, are recommended as the best substitutes:

In lieu of $\frac{1}{2}$ an ounce..... One Rupee and One Copper Pie.

In lieu of one ounce..... Two Copper Half Anna Pieces (or Double Pice) and One Pie—the former Coins are procurable by paying the equivalent, at the Mint.

3. Every person confining his English correspondence to the weight of the two former Coins, will be certain of being within the weight prescribed for a single Steamer Letter, and every Letter not exceeding the aggregate weight of the three latter Coins, will, in like manner, be within the weight allowed for a double Steamer Letter.

4. Steam Postage on Letters for Foreign and Continental Europe, or any place to which Great Britain does not necessarily form a channel of communication, forwarded via "Marseilles," as well as letters for Egypt, Syria, Turkey, Greece, and the Mediterranean Islands, subject to Red Sea (Steam) Postage, *must*, as heretofore, be pre-paid in this country.

5. Steam Postage on Letters for the United States or British Colonies in America, or the West Indies (unless addressed to Agents in Great Britain,) *cannot* be pre-paid in this country, whether sent by way of "Marseilles," or via Southampton.

6. The same rule applies equally to Letters for the United Kingdom, comprising England, Scotland, Ireland, Wales, and all the British Islands, despatched through "Marseilles," and also to those for the Continent of Europe, transmitted by way of "Southampton."

7. Letters for any Foreign country, directed to an Agent in England, will be received and disposed of, as if addressed to the United Kingdom.

8. The optional pre-payment of Steamer Postage, applies only to Letters sent, by the "Southampton" Route, to places within the United Kingdom, and vice versa.

9. The Term "Paid (or Pre-paid," which is synonymous) being the distinctive mark (indicative of the wishes of Senders) and the only guide for the Post Office Receivers, all Letters for the United Kingdom via "Southampton," which may be so marked, will, accordingly, be charged with Steamer Postage, and such as are not so superscribed, will be sent "Bearing."

10. The Inland (Indian) Postage which is quite distinct from, and always levied in addition to, Steam Postage, *must* be paid in advance, by the Sender, at the Posting Office, on Letters forwarded from out Stations to Calcutta or Bombay, or from either one Presidency to the other, for transmission by the Steamers, and vice versa, that is, by the Addressee at the Receiving Office. The word paid, therefore, should not be put on any Letter, except on those on which Senders, having the option, intend to Pre-Pay Steam Postage also.

11. No Letter exceeding 12 tolas, (a fraction under 5 ounces) in weight can be transmitted per Letter Mail; but if forwarded by Government Banghy Post, or otherwise sent to Bombay or Calcutta, it may be despatched by the Steamer, from either Presidency.

12. It is particularly requested, that Letters and Papers from the Mofussul, intended for despatch by the Overland Mail, from Calcutta, may be accordingly superscribed, for the guidance of the person who originally receives such Letters at the Posting Office. The route (Southampton or Marseilles) by which they are intended to be forwarded, should always be clearly specified also. Any Letter not marked "Per Steam," or "Overland," will be sent by a Sailing Vessel. In order to avoid mistakes, the name of the country, which a Letter is destined to, (England for example,) should be the last word in the superscription. Letters posted in Calcutta for despatch via Bombay should be accordingly directed.

13. Although $\frac{1}{4}$ ounce is the single weight for regulating Steamer Postage charge, the quarter tola continues to be the single weight for Inland Postage to Bombay, which Letter (from Calcutta to that Presidency,) amounts to Seven Annas.

14. An extra charge of One Rupee for every half tola weight, is made on Letters sent by the Overland Express from Calcutta to Bombay, and no Letter above one tola weight can be forwarded by such conveyance. Thus, for instance, a Pre-Paid Steam Letter of one tola weight, posted in Calcutta for transmission, via Bombay, would be charged with Postage, amounting to Rs. 3-6-0, viz.

Ordinary Inland Postage,	0	14	0
Express ditto,	2	0	0
Steam ditto,	0	8	0
<hr/>			
Total Rs.	3	6	0

15. It is requested that no Firm or individual will send Letters exceeding Two Tolas Weight in the aggregate, and that each Letter be superscribed "Overland Express" when intended for such conveyance

16. The Tola Weight above mentioned is equal to 180 Grains Troy, being the Standard Weight of the Company's Rupee.

17. Postage is fixed according to the prescribed weight, without reference to the quality or quantity of the Paper

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must

bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

Deputy Post Master.

EDUCATION.

PUBLIC EXAMINATIONS OF 1845.

1. The examination for senior scholarships, and candidates for government employment, will be held in the Town Hall, upon the dates and at the hours specified below.

2. The proprietors and masters of the various Institutions intending to profit by the resolution of the 10th October 1844, are invited to attend the examination in order to become acquainted with the nature of the ordeal; but it is to be distinctly understood, that no visitor is to interfere in any way with the examination or hold any communication whatever with the candidates. Those masters who may wish to be present are requested to apply to the Secretary to the Council of Education for a ticket of admission, without which no one will be allowed access to the Hall.

3. All Proprietors or Head-Masters of schools, are requested to send in to the Secretary to the Council of Education, a list of the candidates intending to be present from their Institutions, at least one week before the 23rd of September, accompanied with the certificates and testimonials required by the regulations already published.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to:—

POETRY.—Milton's Paradise Lost; Shakespere's Hamlet, Lear, Othello and Macbeth; and Gray's Poems as far as they are contained in Richardson's Selections.

PROSE.—The first four volumes of the Spectator, and Bacon's Essays.

HISTORY.—The History of England from the reign of Henry the 7th to the Revolution of 1688. The 3rd Book of Mill's History of India, and Macfarlane's Indian Empire.

6. The following are the days fixed for the examinations, which will commence daily at 10 A. M. precisely, and all answers must be given in at or before 5 P. M. Candidates are recommended to be in attendance a quarter of an hour earlier, in order that no time may be lost in taking their places, &c.

27th Saturday,...	{ Vernacular or Latin Essay,	Vernacular Translation.
29th Monday, ...	{ English Essay, ... }	Reading.

7. In consequence of the great additional importance acquired by the Senior Scholarship Examination, and of the competition being no longer limited to the Students in the Government Colleges, it has become necessary to afford the best possible guarantee to the public and the Go-

vernment of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen :

<i>Literature and History,</i>	{ By the Hon'ble Mr. Cameron, assisted by the Hon'ble Sir Laurence Peel, Sir Henry Seton, and Mr. Daniel Elliott.
<i>Mathematics and Natural Philosophy,</i>	{ By the Revd F. Fisher, B. A.

And such process of arrest or confinement or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 68.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absentsing himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 69.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

ARTICLE 70.

The Commander in Chief at the Presidencies of Fort William, Fort Saint George and Bombay respectively for the time being, may appoint General or other Courts Martial, and confirm and mitigate or remit the Sentences of such Courts, and may issue his Warrant to any General or other Officer having the Command of a Body of Troops in the service of Her Majesty or of the East India Company, empowering such Officer to appoint General or District or Garrison Courts Martial as occasion may require, for the trial of offences committed by any of the Officers or Soldiers or Followers in the service of the said Company, being Natives of the East Indies, or of other places within the limits of the said Company's Charter, and to confirm and mitigate, or remit the Sentences of such Courts Martial.

ARTICLE 71.

The General Court Martial shall not consist of less than *thirteen* Commissioned Officers, unless it be held out of the East India Company's Territories, where such Court Martial may consist of *seven* Commissioned Officers, if a greater number cannot be conveniently assembled. And no sentence of a General Court Martial shall be put in execution until after a report shall have been made of the whole proceedings to the Commander in Chief, or to some other person duly authorized to confirm the same, and until his directions shall have been signified thereupon.

Powers of a General Court Martial.

*ARTICLE 72.

A General Court Martial may sentence any Officer or Soldier to Death or Transportation, for any crimes which are by these Articles of War expressly made liable to sentence of Death or Transportation, and for such crimes only.

And when a Commissioned Officer shall be convicted of any offence, of which the punishment is not defined in these Articles of War, or is left discretionary, a General Court Martial may adjudge such Officer to be dismissed the service;—or to be suspended from rank and pay and allowances, for a stated period;—or to be placed lower on the list of his rank, by an alteration of the date of his Commission, thereby losing the corresponding benefit of length of service; and the Court shall in every such sentence specify the extent or degree

of suspension or reduction, which they shall so adjudge;—or the Court may sentence such Officer to be reprimanded in such manner as the Commander in Chief may direct.

And such process of arrest or confinement or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 68.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absentsing himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 69.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

ARTICLE 71.

The General Court Martial shall not consist of less than *thirteen* Commissioned Officers, unless it be held out of the East India Company's Territories, where such Court Martial may consist of *seven* Commissioned Officers, if a greater number cannot be conveniently assembled. Powers of a General Court Martial.

*ARTICLE 72.

A General Court Martial may sentence any Officer or Soldier to Death or Transportation, for any crimes which are by these Articles of War expressly made liable to sentence of Death or Transportation, and for such crimes only.

And when a Commissioned Officer shall be convicted of any offence, of which the punishment is not defined in these Articles of War, or is left discretionary, a General Court Martial may adjudge such Officer to be dismissed the service;—or to be suspended from rank and pay and allowances for a stated period;—or to be placed lower on the list of his rank, by an alteration of the date of his Commission, thereby losing the corresponding benefit of length of service; and the Court shall in every such sentence specify the extent or degree

of suspension or reduction, which they shall so adjudge;—or the Court may sentence such Officer to be reprimanded in such manner as the Commander in Chief may direct.

And a General Court Martial may sentence any Non-Commissioned Officer to be reduced to the ranks;—or may sentence any Non-Commissioned Officer or Soldier to be dismissed the service;—or to be placed lower in the list of the rank which he holds;—or may sentence any Soldier to suffer Corporal Punishment not exceeding *Two Hundred Lashes*;—or Imprisonment with or without hard labour not exceeding *two years*;—and to be kept in solitary confinement for any portion or portions of such Imprisonment, not exceeding twenty-eight days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement, of not less duration than such periods of solitary confinement.

And a General Court Martial may, in addition either to Corporal punishment or to Imprisonment as aforesaid, sentence a Soldier to forfeiture of all advantage as to additional Pay and to Pension on discharge, which might have otherwise accrued from the length or nature of his former service; or to forfeiture of such advantage absolutely, whether it might have accrued from past service, or might accrue from future service, according to the nature of the case, for *disgraceful conduct*.

And a General Court Martial may, in addition to the punishment of dismissal, sentence any Officer or Soldier to forfeit his arrears of Pay and Allowances due at the time of his discharge, or such proportion thereof as may be required, to make good any loss or damage arising out of his misconduct;—And in addition to any punishment not involving dismissal from the service, may sentence any Officer or Soldier to be put under stoppages not exceeding two-thirds of his Pay and Allowances in the case of an Officer, and not exceeding half of his Pay and Allowances in the case of a Non-Commissioned Officer or Soldier, until the amount of such loss or damage be made good.

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shilling)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,
“Via Southampton.”

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.
